

# Notice of Client Rights to a “Good Faith Estimate” under the No Surprises Act: Jan. 1, 2022

**Under the No Surprises Act, if you do not have insurance or are not using insurance for medical service coverage, you have the right to receive a “Good Faith Estimate” explaining how much your medical care will likely cost.**

Under the law, health care providers need to give **patients who don’t have insurance or who are not using insurance** an estimate of the bill for medical items and services. If, as a client of Redfish Counseling, you fall into either of these categories, please read the following:

- You have the right to receive a Good Faith Estimate for the expected cost of any non-emergency items or services.
- You should receive a Good Faith Estimate prior to the time of your service (at least 1 business day). You can also ask your health care provider, and any other provider you choose, for a Good Faith Estimate before you schedule a service.
- If you receive a bill that is **at least \$400 more** than your Good Faith Estimate, you can dispute the bill.
- Save a copy or picture of your Good Faith Estimate.

For questions or more information about your right to a Good Faith Estimate, visit [www.cms.gov/nosurprises](http://www.cms.gov/nosurprises) or call 1-800-985-3059.
